Project Identity

Natuzzi Editions

The Project Identity purpose is to offer a unique working method that guarantees chromatic and stylistic conformity and preserves the Brand's DNA.

This tool represents a guide that goes beyond the offer of a product, aiming at the creation of a real project from the stores to the customers' homes.

Lima

There are places where you immediately feel at ease, which invite conviviality but also offer moments of complete relaxation.

Lima is one such place. With its clean lines, wide seat and slim armrests with rounded profiles, it nods to the famous wooden balconies of the Peruvian city, the ultimate symbol of hospitality and shared living. Chat away with your friends: with the Dual Power mechanism, it's easy to adjust each headrest to your liking or to theirs. Moreover, you can choose the configuration that best suits your environment, whether it's a small living room or a large lounge. And if you don't have much space, the Zero Wall function allows you to recline the backrest even if the sofa is right up against the wall. With Lima, every day takes on the rhythm you want, combining carefree comfort and super-functional details.

Design by Natuzzi Design Center

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.

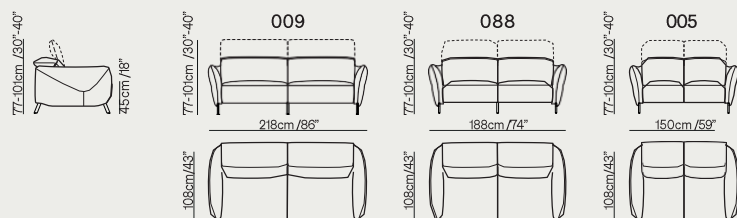

Embrace a new philosophy of Comfort.
Feelwell combines physical relaxation
and mental balance, offering a tailor-made
wellness experience.
