Project Identity

Natuzzi Editions

The Project Identity purpose is to offer a unique working method that guarantees chromatic and stylistic conformity and preserves the Brand's DNA.

This tool represents a guide that goes beyond the offer of a product, aiming at the creation of a real project from the stores to the customers' homes.

Capri

Capri is more than a sofa bed — it is an invitation to come together and rediscover the pleasure of shared moments. Day and night. Inspired by a place that embodies Italian style, Capri recalls timeless beauty, iconic landscapes, and authentic joy. It combines essential design, versatile comfort, and remarkable functionality. Its welcoming seats — enhanced by adjustable headrests — transform in an instant into a true bed with wide wooden slats, ensuring absolute comfort. The version with storage chaise longue offers extra space to keep pillows, linens, and more, always at hand.

Available in leather or fabric, with sleek metal legs in polished chrome or matte black, Capri expresses the essence of Italian living with effortless elegance.

Design by Natuzzi Design Center

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.
