Firm

LATO A: strato superiore in **memory foam sagomato a 7 zone** di portanza differenziate. Schiuma viscoelastica che si automodella a seconda del peso e della forma.

Top layer in memory foam contoured with 7 different firmness zones. The viscoelastic foam is self-shaping according to the shape and weight of the body.

STRATO CENTRALE: in **comfort foam con portanza firm**. La lavorazione ad onda garantisce un grande ricircolo d'aria.

Central layer in comfort foam, firm consistency. The special wave-shaped construction helps to increase ventilation.

ricircolo d'aria

LATO B in **comfort foam con portanza medium**.

La particolare lavorazione ad onda con intagli conferisce al piano di riposo una morbida accoglienza senza rinunciare ad un supporto più deciso.

Lower layer in comfort foam, medium firmness. The special wave-shape of the foam and the special slits result in a mattress that is soft and comfortable but still retains a basic firmness.
